

## **Corrigendum-1**

**(Original e-Tender CRGB/08/2018-19 Date: 15/09/2018)**

### **Revised Terms -**

- **Page 8 (g)** : ASP Gateway – CEDGE
- **Page 8 (I)** : Companies whose audit is in progress can submit Provisional Audited Balance sheet for FY-2017-18
- **Page 8 (j)** : Bidder should open support office/identify residential engineers within two month of selection of vendor in all 27 districts of Chhattisgarh.
- **Page 11** : Vendors should supply the items at L1 prices, even though there is an increase in TAX throughout the period. Failing to supply will lead to forfeiting the EMD amount. Price should be quoted as “ **Unit Price + GST** “
- **Page 12** : Delivery of 70% of equipment within six weeks from date of PO. Remaining 30% equipment within eight weeks from date of PO.
- **Page 13** : Bidder should invariably submit the EMD of Rs. 5.00 lacs

### **ANNEXURE –5.1.1 Technical & Functional Specifications**

- **The Micro ATM should have standards of IBA approved V1.5.1 version with specification and capability for GPRS, WIFI, connection with two SIM slots enabling to solve connection issues at remote points of our area of operation.**
- **Page 34 (13)** : The terminal supplied by the bidder must be integrated with STQC & RD certified biometric scanner.
- **Page 34 (14)** : The device supplied should have mandatorily 1 ( one ) USB port and it should meet all the present and future requirements of the Bank. It is the duty of vendor to make the device functional with any number of ports to meet the present and future requirements.
- **Page 34 (20)** : The successful Bidder would have to Provide seamless support to designated BC/ASP in development, integration and deployment of client application on the Micro ATM devices. Necessary training, APIs and sample code would be provided to designated BC/ASP for implementation of their client application on Micro ATM device. Bank will extend necessary support and coordination for integration of client application to the successful bidder.

### **Additions**

1. All the Devices should be RD compliant and registered. Yearly RD service charges after one year need to be included in quotation.
2. No “ Reverse Auction “ will be done for this tender. So there is no need of mentioning indicative price as per Annexure 5.2.2.
3. If not mentioned in the tender document anywhere, the version of the Micro ATM should be treated as V 1.5.1 of IBA

Name of Company: ..... CRGB Micro ATM RFP (Corrigendum-1)
